OBJECTIVE

I am a dedicated Community Manager with a passion for building strong online communities. Leveraging exceptional communication skills, I cultivate engaging digital environments that foster meaningful interactions and drive brand loyalty. I am seeking opportunities to utilize my expertise & contribute effectively to the growth of projects

CERTIFICATIONS

Certified Community Manager | 2024

Web3Versity

PROFESSIONAL EXPERIENCE

Moderator

Rox Collective | 2021

First Data-Driven, Generative Art project on Solana

- Acted as the primary point of contact for addressing community concerns.
- Cultivated an inclusive environment and provided guidance to members.
- Simplified and communicated complex project updates to the community.
- Enforced community standards, safeguarding members against fraudulent activities.

Events Manager

Black Label | 2021

Suite of Solana blockchain projects

- Orchestrated weekly mobile gaming events to bolster community interaction.

Community Manager

NFT Arsenal | 2021

NFT marketplace for in-game assets on Solana

- Built a secure, fully functional and user-friendly discord server.

Marketing Partner

Polychain Monsters | 2022

Largest multi-chain Web3 NFT & Gaming Ecosystem

- Collaborated on the launch of Solana-native collection, Exomons.
- Conducted whitelist giveaways to boost awareness and visibility.

Partnerships Manager

CandyPay | 2022

Mobile native payments infrastructure on Solana

- Forged partnerships with ecosystem projects to integrate CandyPay mobile checkout solutions.

Community Manager

The Clctv | 2022

Hub for web3 creatives on Solana

- Revamped existing Discord servers to accommodate annex project communities.
- Strengthened server security measures and enforced guidelines.
- Conducted periodic security audits to maintain server integrity.

Community Manager

Legends Of SOL | 2024

Initiative celebrating contributions to the Solana ecosystem

- Overhauled and maintained the Discord server.
- Implemented latest security protocols to mitigate potential threats.

Discord Admin

SDrive | 2024

Decentralized permissionless Storage on Solana

- Restructured and revitalized the Discord server.

Marketing Partner

Webacy | 2024

Suite of Web3 Wallet Safety Tools

- Collaborated to raise awareness for the launch of their Solana-based Webacy wallet safety tools.
